# Health & Safety Policy Statement

JJ Food Service Limited recognised its duty to comply with applicable Health and Safety legal requirements and with other requirements to which JJ subscribes that relate to its Occupational Health and Safety hazards.

So far as is reasonably practicable, JJ Food Service Limited will:

- Provide adequate resources to maintain Health and Safety.
- Carry out risk assessments and review them when necessary.
- Provide and maintain systems of work which are safe and without risk to health.
- Establish arrangements for the use, handling, storage and transport of articles and substances provided for use at work, which are safe and without risk to health.
- Provide employees with such information, instruction, training and supervision as is necessary to secure their safety and health at work and that of customers and visitors who may be affected by their actions.
- Ensure that all machinery, plant and equipment are maintained in a safe condition.
- Make adequate provision and arrangements for welfare facilities at work.
- Keep the workplace safe and ensure that accesses and exits are safe and without risk.
- Monitor safety performance to maintain agreed standards.
- Ensure prevention of injury and ill health and continual improvement in the occupational health and safety management and performance.
- Provides the framework for setting and reviewing occupational health and safety objectives.

The duties of employees are to:

- Take reasonable care of their own health and safety, and that of customers and visitors who may be affected by their acts or omissions at work.
- Co-operate with others in the company to fulfil our statutory duties.
- Not interfere with, misuse or willfully damage, anything provided in the interest of health & safety.

To ensure that this policy is effective, we will:

- Review it annually, or on significant changes in our business.
- Make any such changes known to employees.
- Maintain procedures for communication and consultation between all levels of staff on matters of health, safety and welfare.
